RE: M/053/0081

Dear Mr. Baker:

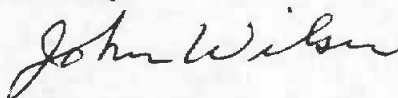

Per this letter we respectfully request an extension on the filing of the Notice of Intention to Commence Large Mining Operation on the above Mine (PCI Fort Pierce).

I apologize for not getting this completed and back to you in a timely manner. At this time we are still working with local agencies and the city planning and zoning department.

I hope to review what was previously submitted and make any changes/additions that I can with the information I presently have within the month.

Again, I am sorry for the delay and hope you will grant us additional time.

Sincerely,

John Wilson
Project Manager
